New Visiting Artists join us each year:

We welcome Joyce Ellen Weinstein in 2026

About

Our mission is to showcase artists who push the edges of their work ever further, daring to stand in unfamiliar creative space, the strange attractors whose art soothes, challenges, questions, comforts, and demands of us our attention as we pass by.

We believe this reach is possible, to engage artists who can and do offer the unfamiliar and cause us to pause. We bring these works to you through Aperto Fine Art out of the sheer joy of being amongst the work of such souls. **We invite you to share in what we have found.**
